**Premises Address:** Dum-Dum and Vudu Lounge, 37-39 Swingate, York YO1 8AZ

**Summary:** **Application for a variation of a premises licence:**

Change of plan on the ground floor and additional conditions.

Condition 3 Amended
CCTV will be installed to cover the premises. It will be maintained, working and recording at all times when the premises are open. The recordings shall be sufficient quality to be produced in Court or other such hearings. Copies of the recording will be kept available for any responsible authority for 7 days for 28 days and will be made available to North Yorkshire Police or Licensing Authority within 48 hours of any reasonable request.

It is intended that the ground floor will be known as "Dum Dum Tiki Bar" (DDTB). The ground floor will operate as a completely separate premises to the Vudu Lounge (which currently operates above and is accessed via the existing stairs that ascend over DDTB's store room and female WCs). Therefore, each will operate separate entrances and exists, and patrons will not be able to access one bar from the other. Both bars are served by the same pre-existing ground floor fire exit. DDTB will be served by the existing entrances to the bar area and the shop area.
The variations to the current ground floor plan are as follows:
1. The separation between the existing shop area and existing bar area will be removed to open up the floor into a lounge area.
2. The lounge area will incorporate the bar (whose location has moved to the back wall) with fixed seating along the perimeter walls and a raised area towards the back of the room.
3. It is estimated that seating will occupy at least 60 - 70% of the area (seated table service will be provided in addition to bar service).
4. Fixtures are also provided in the centre to enable patrons to place drinks
5. The male WCs are located in the area previously occupied by the female/ disabled persons WCs.
6. The previously boothed area of the shop is now the location of the female WCs and store.
7. The current ground floor fire exit will become the main entrance to the premises. The pre-existing stairs at the back of the ground floor will provide access to the first floor lounge.
The ground floor is currently licensed as per the upper Vudu Lounge.
