

# Garden Waste Kerbside Collection

City of York Council provide a fortnightly doorstep garden waste collection scheme for 60,000 households across the city. 77 streets within Clifton Ward will not benefit from this new policy for a variety of reasons.

If you would like to know why your street is not included in the new scheme, please contact the York Pride Action Line on 551551.

Clifton Ward Committee will continue to provide doorstep collections for those households **not** included in the new scheme. Collections will take place on:

## Tuesdays - 29<sup>th</sup> April, 24<sup>th</sup> June, 26<sup>th</sup> August, 28<sup>th</sup> October

(last Tuesday of alternate months over Summer/Autumn)

## and Tuesday 13<sup>th</sup> January 2009.

All garden waste to be collected must be contained within biodegradable sacks available free from:

**Cartridge World Clifton,  
Clifton**  
(8.30am - 5.00pm, Mon to Fri  
and 9.00am - 5.00pm Sat).

**Sewing & Knitting Machine  
Centre, 193 Burton Stone Lane**  
(9.00am – 5.00pm, Tues to Sat).

**Call Michael Hawtin at the  
Neighbourhood Management  
Unit on 01904 551835**  
(9.00am – 5.00p, Mon to Fri)

- Residents should only use the bags provided for this scheme. Any other type of bag or box left out will not be collected. This includes biodegradable bags that can be purchased from supermarkets, as they take much longer to break down.
- The garden waste must not be contaminated with anything else.
- Leave the sacks out on the kerbside, either the night before or on the morning of the garden waste collection day, before 8.00am.

The collections will take place on the following streets only. All other streets in Clifton Ward will benefit from the new fortnightly collections.
