Sir,

As a long term resident of Copmanthorpe, I'm fully supportive of the neighbourhood plan for the village.

The Parish Council has done a first-class job in creating the plan, based on submissions and views from the residents of Copmanthorpe.

It's clear that we need to play our part in expanding the housing stock in York. The plan acknowledges this fact whilst carefully including the concerns of those who live in the village and wish to conserve it's rural identity.

Regards
