Dear Strategic Planning Policy Team

Re: Copmanthorpe Neighbourhood Plan

Thank you for your notification of the 26th March 2025 seeking the views of the Coal Authority on the above.

The Coal Authority is a non-departmental public body sponsored by the Department for Energy Security and Net Zero. As a statutory consultee, the Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

Our records do not indicate the presence of any recorded coal mining features at surface of shallow depth in the Neighbourhood Plan area and on this basis we have no specific comments to make.

Yours faithfully

Principal Planning & Development Manager
