Dear Sir or Madam,

Copmanthorpe Neighbourhood Planning Group wish to express our wholehearted support for the submitted Neighbourhood Plan. The culmination of a great deal of work by the group, and the whole village community, over several years we firmly believe that this Plan is the best compromise between the wishes of village residents and businesses to preserve and enhance their environment and the needs of the City of York to provide more housing.

During the development of the Plan the Group have drawn on expertise from both the City of York Council and several outside bodies and specialist contractors as well as individual residents who brought their own knowledge to the process.

Yours faithfully
