Purpose of this Schedule

City of York Council gave formal notice of its intention to commence preparation of a new Local Plan on 26 June 2026, in accordance with Regulation 19 of the Town and Country Planning (Local Planning) (England) Regulations 2026 ('the Regulations') and national guidance.

Following Executive Member Decision Session [\[link\]](#) on 30 July 2026 a new formal notice has been issued to reflect the amended scope of the Local Plan to include Minerals and Waste policies.

Alongside the original notice, the council published a Local Plan timetable which set out the estimated future dates for all key stages of the plan-making process. The Regulations¹ require this to be reviewed and updated (if necessary) at least once a month, and when other specified events occur such as the publication of advice following one of the gateway assessments.

National guidance also recommends that local planning authorities should maintain and publish a schedule of amendments to the Local Plan timetable, to maintain a clear record of plan-making progress. This schedule will be updated to reflect any future amendments to the timetable.
