Your Right to Vote by Post

Applying for a postal vote could not be easier

1. The law now allows anyone included in a Register of Electors to apply for a postal vote without the need to give any reason or to have the application countersigned.
2. If you would simply prefer to vote by post instead of going to a polling station you can apply on this form.
3. If you arrange to vote by post, you **CANNOT** vote in person at the polling station on polling day.
4. Postal votes can be sent anywhere, either inside or outside of the United Kingdom (if, for example, you are on holiday). Remember, though, that if the address is outside of the United Kingdom it will take time to reach you and for you to return it. We are not responsible or liable for delays caused by postal services inside or outside of the UK.
5. If you move house you must tell the Electoral Registration Officer immediately, or you may lose your postal vote.
6. To cancel your postal vote, it must be done in writing not later than eleven working days before any election.
7. You must make sure that this application reaches the Council Offices no later than 5pm eleven working days before polling day for it to be effective for the election.
8. You are strongly advised to complete and send in your application early. Don't wait until the election date is known.

If you would like any further advice or assistance please telephone 01904 551007 or 01904 551051.

Please return your completed application form in person or by post to:-
