

York Local Plan Further Sites Consultation – Summary Of Responses
Section 6: New Open Space Sites

November 2015

Site, Para etc.	Comments	Ref.	Name (where business or organisation)
206 Temple Road, Copmanthorpe	Objection – opposed to loss of 13ha of agricultural land.	45/18789	York Environment Forum
	Support – agree with the recommendation for inclusion in the local plan.	943/20539	
	Comment – believe the community is supporting of the proposal to include this allocation as open space for sport and recreation. However, they are disappointed that the large development proposals to the west of the village have not yet been withdrawn from the Local Plan. Would be disappointed if this open space proposal were only intended as a ‘peace offering’ in order to try to dissipate the community’s resolve against the proposals for 600 new homes in the village and I have very little confidence that this will work if so.	1355/18632	Julian Sturdy MP
	Objection – does not appear to have been subject to best practice town planning methodology and scrutiny.	2681/17943	
	Support – supportive of site 206	2765/20604	
	Objection - the proposal should not be supported at the present time. Further information is required as to the likely sports, community involvement, times of use, proposals for floodlighting etc. Impact of additional traffic into and through Copmanthorpe, especially at the junction of Station Rd and Main St and through the conservation area of the village is required. Copmanthorpe Parish Council is currently seeking the views of Copmanthorpe residents on proposed alternative uses for some of this land. The land is good and productive agricultural land.	5186/21740	
	Support – supportive of site 206	6516/200328	
	Objection – site name does not appear to be correct; it is off Temple Lane and New Moor Lane. ST12 is green belt land and inappropriate to develop therefore this proposed open space does not support it. It is some distance from ST12, it might support the village as a whole rather than ST12. This shows in part over-development of Copmanthorpe village.	10621/20388
