Educational Benefits Form for

Free School Meals and the Pupil Premium

Who can receive free school meals?

All children in the first three years of primary school (those in reception, year 1 and year 2) and attending full-time are automatically entitled to take up a free school meal. If you receive one of the qualifying benefits listed below, **we ask that you complete this form** as your child's school may benefit from additional funding called the pupil premium.

For children in year 3 to year 13 in schools, you should complete this form and return it to us. If eligible, your child's school may also receive additional funding called the pupil premium.

Students in year 12 or year 13 attending a college should apply direct to the college for free school meals and other assistance that may be available.

What are the qualifying benefits?

If you receive an income-related benefit such as Income Support, income-related Employment and Support Allowance, or income-based Jobseekers Allowance you will be entitled. You may also be entitled if you receive Universal Credit and your annual household earnings are below £7,400; or you receive Child Tax Credits with an annual household income below £16,190 with no Working Tax Credit, unless you have very recently started to claim, in which case free school meals can be provided only for a four week period.

Declaration

I certify that the information I have provided above is true and correct. I authorise the City of York Council to undertake checks of my details now and later to determine eligibility for free school meals and the pupil premium for my child(ren). If my circumstances change and I am no longer entitled to free school meals for my child(ren) I will inform the City of York Council. I understand that I am responsible for any costs incurred from receiving any school meals whilst not entitled.

The data you have provided to City of York Council will be used by us, and may be shared with schools and the Department for Education for the purposes of providing for children's education and supporting your child's teaching and learning.
