| | | | | monitoring dates | | from | 2015/16 | 2016/17 | 2017/18 |
| An increase in the overall value of employment in the city (total resident employment income, per head of working age population) at 110% of the national rate of growth over the 3 year period. | Target dependant on actual national growth. | Annual Survey of Hours and Earnings / Annual Population Survey | The value of employment is worked out as the mean gross wage(ASHE)*employment rate(ANS). Because of sample sizes, York data is more accurate taking a 3 year average. The target is dependant on actual national growth. Projections for wages and employment rate aren't available, but as a proxy, York GVA per head of working age population is forecast to grow 7.2% over 3 years vs 8.3% UK (Oxford Economics) | Annual (November), one year delay for revised 3 year averages | York's 'value of employment' grew 1.94% over 3 years (vs UK growth of 2.73%) | 2010 - 2013 (based on 3 year averages for York) | | | |
| Jobs growth in high value priority sectors, including key science, technology and creative industries, at 120% of baseline econometric growth projections over the 3 year period | | Regional Econometric Model data | Full time equivalents. N.B. Different econometric forecasts (e.g. Oxford Economics) project different rates of growth; for the SLA, the Regional Econometric Model will be used. As Information and Communication industries are projecting a small | Annual, end of financial year | | REM data 2015 | | | |
| Information and Communication SIC code | 2405 | Wiodel data | decline in FTE in this model, as per the SLA, the | | 2400 | - | 2400 | 2390 | |
| Professional Activities SIC code | 17242 | | target for York is for its performance to be better | | 16090 | - | 16430 | 16770 | |
| Finance and Insurance SIC code | 5142 | | than these comparator figures | | 4950 | 1 | 5030 | 5090 | 5110 |
| A 5% after inflation rise in GVA per employee in visitor economy & retail, and cultural sectors over the 3 year period, working towards our aspiration of doubling the value of the tourism economy by 2025 | Below not yet adjusted for inflation | Regional Econometric | GVA per employee (headcount not FTE) used. The baseline figure/policy off projections will have factored in inflation projection into the econometric model. The targets are not yet adjusted for inflation; but when measured this will factored in | Annual, end of financial year | | REM data 2015 | | | |
| Accommodation And Food Service Activities SIC code | £18,449 | Model data | based on GDP deflators. Assuming the 2% national | , | £17,571 | | £17,880 | £18,217 | £18,57 |
| Retail SIC code | £26,782 | | inflation target, all targets would be an improvement | | £25,507 | Ī | £26,169 | £26,920 | £27,745 |
| Arts, Entertainment And Recreation SIC code | £16,075 | | on a policy off basis. | | £15,310 | - | £15,683 | | |
| Every year, for a 4.5 / 5 or greater overall visitor satisfaction score, with 78% or more visitors likely to return and 97% or more likely to recommend Visitor satisfaction score Visitors likely to return Visitors likely to recommend | 4.5 78% 97% | Visitor Survey | The target is for this to be the <i>minimum</i> standard every year; the aspiration is that many years this may be even higher, as in 2014. | Annual | 4.6 77% 99% | | | | |
| Between 2015 and 2018, a 5 percentage point increase in the proportion of businesses across sectors (including high value science and technology, visitor, creative and cultural organisations) who are very or fairly satisfied with York as a place to operate / do business. | 86% | York / LCR business survey | The baseline, and the planned apporach for future, telephone interviews with a representative sample of businesses of different sizes. | On an ad hoc basis depending on funding + regional surveys, but the intention is annually | 81% | Leeds City Region business survey 2015, carried out by BMG research (350 out 8,000 businesses, +-5% | | | |

| A 25% increase in the number of (online) media hits; and size of readership across UK and international markets for positive and neutral articles containing York + keywords, excluding "New York" etc. once adjusted by increases in overall readership as documented in National Readership Survey | | Meltwater / Precise — Software | IBaseline measurements will be added upon 1 | Annual, end of financial year | | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|--------------------------------|----------------------------------------------------|----------------------------------|-----|-----------|--|
| UK Media Hits | TBC | | Readership survey, online readership is increasing | | TBC | | |
| UK size of readership | TBC | | 29% year on year from 2012/13 – 2013/14; therefore | | TBC | 2011-2014 | |
| International media hits | TBC | | it is important this is factored in to any targets | | TBC | 2011-2014 | |
| International size of readership | TBC | | | | TBC | | |

Make it York Performance Measures

| Outputs: 3 year target | Notes | Baseline | Baseline measurement from | Frequency of reporting |
|----------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|
| Supporting job creation | | | | |
| 700 jobs created through interventions | See notes on definition. There has not been robust collection of this data over the previous 3 year time period. The basline figure is largely made up of 2 very large inward investors: Hiscox and John Lewis, which are difficult to replicate with certainty. Performance for the 3 years prior would have been considerably lower. | | Council Economic Development Team, 2012/13 - 2015/16 | Quarterly update |
| 500 of which estimated to be paid above national median wage | This will be estimated figure based on justifiable assumptations. | c.400 | Council Economic Development Team estimate | Quarterly update |
| | | | | |
| 100 jobs safeguarded through interventions | Or equivalent demonstrable activity as required in taking a lead role in safeguarding jobs in the city where they have been at risk); detailed public reporting on this may be subject to commercial confidentially. | n/a | monitored, but ad hoc reporting of safeguarding jobs within 3 businesses resulted in a total of 88 jobs safeguarding. | Quarterly update |
| | | | | |
| 500 businesses, or creative/cultural organisations, assisted to improve their performance (across all sectors) | See notes on definition | n/a | This has not been collected historically | Quarterly update |
| | | | | |
| 1,000 businesses or creative/cultural organisations signposted or been provided with information | See notes on definition | n/a | This has not been systematically collected, but by means of reference there are 428 businesses on the York Means Business newsletter (though not all these will be distinct businesses); Visit York has 600 members; there will be some overlap between the two. | Quarterly update |

| Detailed public reporting on this may be subject to commercial confidentially. See notes on definition. | 240 | team: Across the 3 year period there has been an average of 20 inward investment enquiries per quarter. This would total 240 over the period of the contract. | Quarterly update |
|---------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
