

YORK CENTRAL COMMUNITY FORUM

Seeking representatives in your area

Community forums have been established for key sites across York to bring together residents, interest groups, councillors, officers and partners.

York Central Community Forum will:

- provide a sounding board for the site at key stages of the development process
- create an understanding of, and influence schemes as they evolve

We are seeking representatives whose role will be to consider proposals, and to ensure that the work of the Forum is fed back to the wider community. If you are interested then please complete the expression of interest form overleaf.

Other ways to get involved:

- If you are not successful, or if committees are not for you, then there will also be a range of other consultation methods at key project stages to reach the wider community, such as exhibitions, ward meetings, website, and newsletters
- You can also subscribe to a 'keep informed' email list by sending a request to join to yorkcentral@york.gov.uk
- There will be additional consultation with residents of Wilton Rise/ Cleveland Street who may be specifically impacted by the access road

YORK CENTRAL COMMUNITY FORUM – EXPRESSION OF INTEREST FORM

This form is for people to express their interest in joining York Central Community Forum. We encourage volunteers from Holgate and Micklegate wards, and also from groups who could represent the wider city.

Ward Members will use the expressions of interest received and their local knowledge, to select community representatives for their ward, and the project board will select wider city representatives and a chairperson.

If you wish to be considered then please complete and return this form, or the online response form, by 15 August 2016.
