

## Amendments to school catchment areas

Boroughbridge Road proposed amendments to catchments for:

- Poppleton Ousebank Primary School
- Carr Infant School
- Carr Junior School

The map highlights the land that is located between the A1237 and Westview Close, Trenchard Road and Sherwood Grove, which is known as 'The Former Civil Service Sports Ground', 'Wheatlands' and 'North field'.

It is proposed that this area is moved out of Poppleton Ousebank Primary School's catchment, and into Carr Infant and Junior School catchment.
