Subject: Matter 1: Green Belt Boundaries – Inner (Topic Paper 1 Addendum Annex 3 – Sections 1-4)

Hi Carole,

At today's hearing, I mentioned TPO applications in relation the Sports Club/Lime Trees site and said I would provide the references to the Inspectors. Please see below.

The references are as follows:

- 20/02347/TPO – felling of three no. Oak trees on the boundary of the Sports Club and Lime Trees.
- 21/02297/TPO – various felling and other tree works to trees at the Sports Club.

Felling has been completed on the Lime Trees site and is apparent on site there is a difference between, for example, Google Maps aerial photography and the reality on the ground. The Council's evidence pre-dates this work so would not have been picked up in its assessment. I understand that due to issues with the printer the quality of the image shared at today's hearing session was not as clear as the Council would have liked so it is not clear whether the aerial photo the new proposed Green Belt boundary reflects the lost trees.

Kind regards,
Tom
