WHO IS UK YOUTH PARLIAMENT?

The UK Youth Parliament provides opportunities for 11-18 year olds to use their elected voice to bring about social change through meaningful representation and campaigning. Every Local Authority has an elected member of Youth Parliament (MYP), depending on the size of the authority they may have more than one. Young people are elected into this role by voting by their peers and their term lasts for the full year.

MYP's are involved in work locally, regionally and nationally and represent the voice of young people in the authority at a variety of events which are organised and supported by the British Youth Council.

WHAT IS MAKE YOUR MARK?

The Make Your Mark ballot is an annual national consultation, which has taken place since 2011 and is supported by Local Authorities, schools, UK Parliament, Fledglink and the Department for Digital, Culture, Media & Sport. It gives young people across the country a say on what is to be debated on the green benches of the House of Commons by Members of Youth Parliament. Following the debate, the top issues will be brought to the attention of Government Ministers, including the newly appointed Minister for Civil Society, Baroness Barran MBE, who has taken on responsibility for youth policy.

This year the ballot paper was different to previous years. This year the ballot was split into 3 sections, giving young people the chance to select one UK-wide issue, one devolved issue (England only) and gave them the opportunity to identify an issue in their local communities. The ballot includes issues such as knife crime, the environment, mental health in schools and hate crime.

Locally this means that the York Youth Council will work on the local issues identified that are most important to young people in their authority, as well as working on the top voted for issues.

ENGAGEMENT FROM SCHOOLS IN YORK

The Make Your Mark campaign in 2019 resulted in York Youth Council engaging with:

- 10 Secondary Schools
- 6 Primary Schools
- 1 college

The total number of votes received was 11044 which seems significantly more than previous years due to the multiple votes on the ballot paper. However we were able to hear the views of 5530 young people across York, which is an increase on last year's result (4572 votes).

Despite a positive result, we still received a number of empty of ballot boxes from schools that had registered their interest in taking part.

The breakdown of this is as follows:

- 5 primary schools
- 2 secondary schools

THE RESULTS FOR YORK

The top 3 voted topics for the UK issue in York were:

1. Protect the environment (3257 votes)
2. Votes at 16 (700 votes)
3. Tackling hate crime (635 votes)

The top 3 voted topics for the devolved issue in York were:

1. Putting an end to knife crime (1829 votes)
2. Mental health (1460 votes)
3. Curriculum to prepare us for life (1028 votes)

NATIONAL RESULTS

The annual House of Commons debate was held on 8th November at the place of Westminster and was attended by MYP's from across the nation. The event was chaired by the new Speaker of the House of Commons, Sir Lindsay Hoyle MP, and the First Deputy Chairman of Ways and Means and Deputy Speaker, Rt Hon Dame Eleanor Laing MP.

The topics that were debated were:

1. Protect the Environment - UK – We believe that we have a responsibility to protect the environment from the effects of climate change for the next generation; and that the Government should look towards carbon neutral alternatives.
2. Tackling Hate Crime – UK – We should be educated on how to report hate crime. We believe the Government should invest in creating safe spaces that promote unity in communities.
3. Put an End to Knife Crime - Devolved – Too many young people's lives are lost to knife crime; the Government need to do more to help end the knife crime epidemic.
4. Mental Health - Devolved – Services should be improved with young people's help, and should be available in schools.
5. Curriculum to Prepare Us for Life - Devolved – Schools should cover topics like finance, sex and relationship education and politics.

Following the debate the UK Youth Parliament's campaign is Protect the Environment and the devolved campaign is Knife Crime.

SUMMARY OF LOCAL ISSUES

This year there was a change to the ballot paper which allowed young people to identify one local issue that mattered most to them. We have collated this information to find the top key issues that youth council will look to take forward. The top three issues for Primary schools were: Littering (31 votes), Homelessness (23 votes) and Smoking and drug use (14 votes). The top three issues raised by Secondary schools and Askham Bryan College were: Littering (542 votes), Climate Change (172 votes) and Homelessness (156 votes).

APPENDIX 1: INDIVIDUAL SCHOOL RESULTS

ALL SAINTS

Below is the breakdown of votes for All Saints School.

UK Issue					Devolved Issue (UK Only)
