Dear Carole,

I write on behalf of York Travellers Trust.

We would be very grateful if you could forward the attached late evidence to the CYC Examination Inspectors & let me know that you have been able to do so.

If you are unable to do this, can you let me know to who at PINS I should send this evidence.

We are of course aware that the consultation on the Major Modifications has closed, and in normal circumstances that further responses should not be submitted.

However, the attached internal City of York Council documents, which York Travellers Trust has obtained through a Freedom of Information request, provides powerful evidence by York officers of our contention that expansion of the Osbaldwick site is not a sound, acceptable or appropriate solution to meeting York's Gypsy & Traveller accommodation needs.

With all good wishes & many thanks, Michael
