

**City of York Local  
Plan**

**Proposed Policy Map Modifications**

**January 2023**

### Introduction

1. The City of York Local Plan was submitted to the Planning Inspectorate in May 2018 with the Local Plan Examination in Public (EiP) commencing in November 2019. There have been four phases of examination hearing sessions with the last closing in September 2022.
2. Since the opening of the EIP in 2019, CYC has published and consulted on a series of 'Proposed Modifications' to both the Local Plan itself and the accompanying Local Plan Policies Map (formerly the 'Proposals Map'). These consultations were undertaken in June 2019 [EX/CYC/20] and April 2021 [EX/CYC/58].
3. A further schedule of proposed modifications to the Local Plan was published July 2022 [EX/CYC/93a] with a consolidated Proposed Modifications Schedule published on 31 August 2022 [EX/CYC/111]. A Consolidated Policy Map Modifications Schedule was published September 2022 [EX/CYC113]. These three schedules were published on the Local Plan examination website but were not subject to formal consultation.
4. CYC is now formally consulting on a consolidated set of Policy Map Modifications as part of the last stage of public consultation on the Local Plan before submitting to the Planning Inspectorate for final consideration.
5. This consultation includes all proposed modifications to the Policy Map the Council intend to progress and supersedes all previously issued proposed amendments to the policy map. Where proposed modifications that were published previously are not included in this document, the Council no longer intends to progress them.
6. It is also intended to add the boundaries of both the conservation areas and areas of archaeological importance, rather than denoting these areas using a star. However, for the purposes of clarity and ease these are not shown on the maps within this schedule.
7. This schedule contains all proposed modifications to the Local Plan policy map in five sections:
  - Strategic Sites Policy Map Amendments
  - Other Policy Map Amendments
  - Greenbelt Boundary Policy Map Amendments (Policies Map North)
  - Greenbelt Boundary Policy Map Amendments (Policies Map South)
  - Additional Amendments
8. This Map Modifications Schedule is intended for reference only. As part of the consultation, an online interactive version is available on <https://www.york.gov.uk/localplanconsultation2023>. Once the Policy Map is adopted a complete online interactive version will be available.
