APPLICATION FOR REFRESHMENT OF AN EXISTING KEEP CLEAR H-BAR MARKING

Name and Address of Applicant:

Postcode:

Contact Telephone Number:
Email address:

Address of property where "H-Bar" is placed (if different from above):
--

Is your driveway/access shared with your neighbours?	YES (please attach a letter of consent from your neighbour)	NO
--	--	----

Has the existing keep clear bar marking been effective in reducing the instances of obstruction?	YES	NO
--	-----	----

General Conditions (Please read these carefully)

1. H-Bar markings are not permitted where no waiting at any time restrictions (double yellow lines) are in place.
2. This is an advisory marking and provided to highlight an access is present.
3. H-Bar markings are placed on the carriageway across your dropped kerb. We will not provide one on the opposite side of the carriageway outside another resident's property without their permission.
4. We cannot provide these markings if the kerb is not dropped for the purpose of vehicle access to private property.
5. If the dropped kerb extends across two driveway entrances, you are required to obtain written consent from your neighbour. The applicant is responsible for the full cost of the application.
6. New Applications: If your application is successful, we will let you know. If your application is refused, no charge is made
7. Refreshment: If your line fades or becomes broken you can ask us to repaint it. The cost for this work is £81.
8. It can take 6-8 weeks to arrange for your marking to appear on street. It may take longer in adverse weather conditions.
9. Keep clear markings are not provided for your own vehicle to park upon. If others observe your vehicle parking on the marking they may assume it is alright for them to do so. Markings that are continually parked on by the resident may be removed.

Signature of Applicant:

Name (please print):

Date:

We will let you know if your application has been successful.
You will be invoiced £81 for the H-bar marking after it has been refreshed on street.
