Dear Ian

North Yorkshire Council Response to City of York Local Plan Consultation on all Proposed Main Modifications to Policy H5 'Gypsies and Travellers' 18 July – 30 August 2024

Thank you for your email of 18 July 2024 providing us with the opportunity to comment on your current consultation on the above proposed modifications to the York Local Plan.

Engagement has been ongoing between legacy districts of Selby, Hambleton, Ryedale and Harrogate and City of York Council throughout the preparation of the York Local Plan and North Yorkshire Council is keen to continue this close working relationship for both the York Local Plan and the emerging North Yorkshire Local Plan.

We have already involved CYC in early workshops and discussion around the NYLP, and we will be working with you as we prepare for the Issues and Options stage, which is scheduled for the end of the year in our latest Local Development Scheme. More information can be found here:

<https://www.northyorks.gov.uk/planning-and-conservation/planning-policy/north-yorkshire-local-plan>.

We have reviewed your latest proposed main modifications relating to Policy H5 and conclude that there are no cross-boundary impacts or strategic matters which require cooperation, as the Plan seeks to meet its identified need within its own boundaries. We have no comments to make on the detailed wording.

Yours sincerely
